These heifers and calves are genuinely quiet in every aspect. Bucket reared by the kids. Heifers flowed through the yards and crush with minimal effort and stress. Pleasure to handle.

Assessor Comments	Outstanding line of large framed F1 females that show all the attributes of being outstanding vealer mothers. These heifers have beautiful udders, sound temperament and sappy calves at foot. Calves were sired by a very good Prime Angus bull that carries plenty of flesh and muscle. The calves were marked on 9/9/21, Ultravac 5 in 1, Cobalife B12 + Selenium. Ready to go straight to the paddock. These heifers and calves are hard to fault in any way. Carry our highest recommendation.
