Assessor Comments	A small but classy line of Angus Cows & Calves that tick all the boxes, presenting in forward store condition they are well positioned to take advantage of the coming spring. Fuss free cattle and a delight to handle in the yards and very quiet in the paddock. Vendor is only selling due to the calves being a later drop compared to the rest of the herd. Ideal little lot to top up the herd. Calves are Marked and Vaccinated. Please note that one cow has old pink eye scaring in one eye which does restrict some sight in that particular eye. Also one cow with a small white birth mark on the side of the neck.
