Assessor Comments	Gradamier Beef offers a lovely line of PTIC heifers. These heifers were purchased out of the Kyneton weaner sale from "Lindley" and J. Comfort, both quality herds. These heifers have been joined to quality LBW bulls from Te Mania and Kelly Angus for a tight 8 weeks. The heifers have a great temperament and were a pleasure to work with. Please refer to photos and videos the odd heifer has small amount of wart on the neck and head. Two heifers have small amount of white on udder.
