Assessor Comments	Millhouse Beef offers a lovely line of 2nd & 3rd Autumn calving cows. These young cows are in the prime of their life and only being sold due to the vendor moving to a spring calving operation. 5 x 2nd calvers (vendor bred) and 11 x 3rd calvers (purchased Romsey area). Joined for a tight 8 week calving these cows would be a welcome addition to any quality angus herd. The cows were a pleasure to handle. Odd cow had small amount of white on udder.
