Assessor Comments	Vendor has offered for sale, a well presented line of Dorper EWE LAMBS in forward store condition & robust. These lambs are showing good breed characteristics & would be ideal for a breeder looking for a smaller number of quality potential breeders. There is a good mixture of colours with approx. 31 lambs all white. Apart from lighter/younger lambs been drafted off these ewe lambs represent the entire drop. There are 104 of their 'brothers' in the same sale.
