Assessor Comments	A very good line of 1st Cross Wether Lambs. 97% White Suffolk/Merino, Dohne and 3% Border Leicester/Merino, Dohne lambs. Lambs are unweaned and will be taken off ewes at delivery (Approx 150 ewe and wether lambs were weaned 3 weeks ago) Lambs are well grown and are out of large to very large Merino and Dohne Ewes by quality White Suffolk Rams. 10% tail has been taken out of this mob. Note some wethers tails yet to fall of. 10 lambs were marked at assessment and observed approx 5 ram lambs in mob (not marked) - 1 black lamb in mob. Very good line of 1st cross Wether Lambs that would be suitable for trade/heavy export lambs in the future. Meloxicam pain relief for animal husbandry purposes was used at lamb marking. *Note - vendor has ewe lambs available in this sale.
