Assessor Comments	This is the 2nds draft (later drop younger lambs) out of the complete drop of lambs up today from this vendor. These lambs are going along ok considering the drying season at the moment. These lambs are still very young and will benefit from some fresh feed. There are lambs that were missed at marking time that came in on this muster that will be marked but not mulesed. Numbers to be confirmed and purchaser notified prior to delivery of unmulesed lambs.
