Assessor Comments	Annual sell off of 1st X Wether suckers, bred out of medium to large framed Lach River Merino ewes sired by Wattle Farm Border Leister rams. A great opportunity to secure a very nice run of lambs that will come off the board in forward condition and continue to excel given the opportunity. These lambs were weaned & jetted @ assessment . Please note the sisters of this flock are in the same sale. Great chance to put together 800 one mark mix sexed lambs.
