Assessor Comments	Very good quality line of weaned wether suckers which represent the lead draft of lambs on offer. They are bred from solid medium to large frame fertile ewes and in fresh forward condition. These lambs show good frame and growth for their age and exhibit good length of body. Lambs have performed well for previous purchasers and all lambs were individually weighed at assessment 43kg+. Please note vendor is also offering a lead draft ewes in the same sale along with a group of mixed sex lambs also.
