Assessor Comments	A good line of Merino wether lambs that would be ideal to fatten or retain as wool growers. Brennan Agriculture run a respected Merino flock that has been using Pastora Blood for the past 13 years. The mature sheep cut an average of 5.5kg at 18 microns. The wethers are predominately lambs but an odd wether was just starting to break two teeth. PLEASE NOTE: Brennan Agriculture will offer 4 LOTS IN THIS SALE. 526 ewes lambs sold in 2 even lots run out the gate and 737 wethers sold in 2 even lots run out the gate.
