Assessor Comments	150 1st B/L Merino X Ewe Lambs, on account JN & PM Byrne of Lake Marmal. Ewes presented this year unshorn & in forward condition. Lambs are out of large framed Concordia Blood Ewes by Selected Rams. Selective breeding is evident in this years draft of the Byrne family ewes as they show traits which are true to type of the 1st B/L Mer X. All Lambs were weighed to ensure true average of 39.1kg (Full). These ewes represent the second draft of this years ewe lambs with the top run of 200 of their sisters to be offered in the same sale. Quality draft of future breeders with a that will not disappoint.
