Assessor Comments	A line of 1st cross lambs with 70% being Highlander/Merino and 30% BL/Merino that averaged 44.5kg @ assessment. Lambs are a May-July drop been lambd out over 8 weeks. Lambs would suit a short turn around for a supermarket job or shorn and carried through for early next year with some heavy trade to export weights. Lambs are drying off and would suggest a crutch once delivered. Contact agent Tim Ferguson 0419 012 883. Reserved at \$170
