Assessor Comments	A great opportunity to secure quality bred "Killara" Composite Wether lambs, Cloven Hills blood. The McLean family have been selecting top genetics from Cloven Hills, focussing on fertility, growth & type. The lambs display good shape and type and would be ideally suited to being shorn and feeding on for the trade / export market. All weighed 30kg plus with a 3 hour curfew. NOTE same vendor has 2 other lots in same sale
