Assessor Comments	A great opportunity to secure quality bred "Killara" Composite Ewe lambs, Cloven Hills blood. The McLean family have been selecting top genetics from Cloven Hills, focussing on fertility, growth & type. The lambs display good shape and type and would be ideally suited to being shorn and putting a spring on for a Autumn joining. A great opportunity to secure future breeders. All weighed 30kg plus with a 3 hour curfew. NOTE same vendor has 2 other lots in same sale
