Assessor Comments	First time offering our composite 1st x and composite 2nd x wth lambs, all individually 30-35kg. lambs have been growing at 300 gram p/day rates on sample weighing, we are divesting the operation away from a b/l merino flock to a full composite flock
Assessor	Second Draft draft of Composite cross wether lambs, all individually weighed 30 to 35 kg, present in fresh condition. flock is transitioning from a prime first x ewe flock to a self replacing composite x flock, lambing over a 7 week period June July and retaining the ewe portion and selling wth lambs at a younger age. lambs have been weaned at assessment day onto good feed allocated to the weaning. Have allowed for weight loss in the assessment, Lambs are offered un-crutched but any heavily solid lambs will be tidied up. 3 other lots same vendor in sale
