Assessor Comments	A very attractive line of principally White Suffolk Cross Lambs (approx 2% Suffolk X) that are a good medium frame for age and present in very forward condition with barrel and depth. Bred out of a very productive Merino wool flock and sired by high index Terminal Sires. These lambs have been sexed to be principally wether Lambs with only a small percentage of black faced ewe lambs amongst the group. This lot represents half of the second draft of 1030 of Willalooka's 1st cross White Suffolk lambs and will be delivered as a run out of the gate. Note - The Vendor has 2646 on offer in this sale over 3 drafts and represented in 5 lots. *Lambs were assessed on a very wet day and lambs handled were wet.
