Vendor Comments	Selling Annual Draft of wether lambs		
Assessor Comments	Nice line of store wether lambs that are shorn and ready to go into the feedlot or out on pastures. These lambs are in a forward store condition and have come off the boards very well. The lambs show a good stretchy frame with a very good Deep bone. Vendor is selling this line of lambs earlier then usual due to seasonal conditions. The lambs will grow out to large frame and into export weight lambs.
