Assessor Comments	This line of Kamora Park Bld store lambs have great potential in the right conditions. Due to season cutting off in the area something has to give. Vendor in a normal year would carry through to feeder weights or export trade lambs. The Kamora Park bld line are known for their large frame and sweet wools, which is showing through with the lambs that are presented today.This line of wether lambs has had a 10% tail that has been removed.
