Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.		
Assessor Comments	A well presented line of fresh White Suffolk /Merino x ewe lambs only July Aug drop..The tail has been removed and they present as a even line of lambs.The vendor has always purchased high index rated rams from the Yanta Stud. An excellent opportunity to purchase as either future breeders or as backgrounder feeder lambs. The vendor also has the wether portion of the line in this sale. These lambs are being sold a month earlier than last year.
