Frame		Quality Grades		Wrinkle Score		Carcass Quality	
B (66-70cm)	60%	Very Good	100%	Light	100%	GAQ	90%
C (61-65cm)	40%					FAQ	10%

Assessor Comments	Annual line of wether lambs from LD Kilpatrick & Co. Nepowie blood lambs that are exhibiting the early growth and carcass attributes of the Nepowie bloodline. These lambs will grow into solid, large frame lambs given the opportunity. Lambs have been crutched and Klik applied to allow them to continue to grow out in the wool. Approximately 20% of the tail of the mob has been drafted off the line.		
Assessor	Paul Keppel (Level 3 Accredited)
