Assessor Comments	On offer is a good quality line of White Suffolk x Merino first cross ewe lambs and hoggets. These young ewes are August/September 2020 drop and just starting to break their 2 teeth. The mothers of these ewes were purchased on AuctionsPlus as SIL ewe ex Wellington district. Ewes show good frame for their age and breeding and should mature into very nice prime lamb breeding ewes. They present a good opportunity to purchase young ewes ready to join to the ram of your choice. Noted a few ewes which had thrown back towards the Merino type.
