Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.		
Assessor Comments	Excellent opportunity to purchase top quality ewes, purchased from a top quality breeder situated in WA's wheat belt, that had to sell due to drought conditions. These large frame, plain bodied young ewes would suit the wool grower or ideal for fat lamb production. The ewes come from a highly fertile flock and are in ideal condition to be joined to the sire of your choice. Vendor reluctant sale due to agistment running out.
