Assessor Comments	Moonbah flock dispersal - property sold. JA 2018 drop , top quality clean headed long barrell, framey fertile ewes from an award winning flock, marked 113% lambs. Highly respected for the frame, fertility and easy combing soft medium wools. Rare opportunity to purchase classed breeders of this caliber for ongoing merino production or for X breeding opportunities. 4 age groups same sale. NB Ewes Market crutched after photos prior delivery. Michael Emms - classsers comment " I have classed the Moonbah flock for 20 years. The sheep are of the highest standard having won the Don Brown ewe competition twice and runner up in 2021. A lot of effort and persistence has been put into raising the bar when it comes to fertility. The "Moonbah" flock is a top commercial performer when it comes to fibre and fertility."
