Assessor Comments	Fertile framey 4 year old Merino Ewes. Flock dispersal from "Monnbah" Condobolin. 4 lots this sale. Highly respected flock of top quality, long barrel, framey ewes, clean headed, with soft easy combing medium wools. The flock marked 113% lambs. Rare opportunity to classed breeder of this caliber for ongoing merino production or for X Breeding opportunities. 4 age groups - same sale. NB Ewes market crutch after photo prior to delivery. Michael Emms - classers comments. "I have classed the "Moonbah" flock for the past 20 years. The sheep are of the highest standard, having won the Don Brown Ewe competition twice and runner up in 2021. A lot of effort and persistence has been put into raising the bar when it comes to fertility. The "Moonbah" flock is a top commercial performer when it comes to fibre and fertility.
