Assessor Comments	Fertile framey 5 year old Merino Ewes. Flock dispersal from "Moonbah" Condobolin. 4 lots this sale. Highly respected flock of top quality, long barrell, framey ewes, clean headed, with soft easy combing medium wools. The flock marked 113% lambs. Rare opportunity to purchase classed breeders of this caliber for ongoing Merino production or for X Breeding opportunities. 4 age groups same sale. NB Ewes Market crutched after photo, prior to delivery. Michael Emms - classers comment. " I have classed the Moonbah flock for the past 20 years. The sheep are of the highest standard having won the Don Brown Ewe competition twice and runner up in 2021. A lot of effort and persistence has been put into raising the bar when it comes to fertility. The "Moonbah" flock is a top commercial performer when it comes to fibre and fertility.
