Assessor Comments	Well bred 6 year old ewes ready to join on a rising plain of nutrition. Ewes improving daily since shearing and having 114% of lambs weaned on the 8 th Sept. Ewes range from strong store to forward store condition , are reasonably plain bodied , large framed and ready to join. I mouthed 30 ewes and all excellent mouths. These ewes create an excellent opportunity to produce plenty of lambs and will be offered with a realistic reserve. Please ring with any questions.
