Assessor Comments	A great line of fresh Dohne ewe lambs showing stretch frame and great muscle as they are only 8 to 9 months of age. They are carrying great body weight already and would be able to join to the ram of your choice now. Vendor has been buying Glenholm Dohne rams for a number of years now and no expense is spared well selecting rams. This line of ewe lambs is part of a flock reduction and vendor will have another line of slightly old ewe lambs in this sale as well. Vendor lambs different mobs at different times to help spread the work load out. A great small line that would suit all farming enterprises. Highly recommend to any purchaser.
