Assessor Comments	A very nice line of predominately Droughtmaster and Santa cows PTIC to Valera Vale Droughtmaster Bulls that are ideal for any breeder to take forward as they are only being sold due to change in business direction. These cows have been running on lighter coastal country and would thrive in most conditions. 100% weighed to average 527kgs at assessment. These cows have been the most fertile in the commercial herd and are an ideal restocking proposition.
