Assessor Comments	Buyers here is a great opportunity to secure a line of PTIC Heifers what don't come along very often. These Heifers show very good length of body and breed confirmation. These Heifers are PTIC to LBW Lawson Angus Bulls and will breed a calf to suit all Domestic Markets. The tail was removed out of these Heifers prior to joining on types and performance. This is a great opportunity for someone looking to purchase a line of young breeders with the rest of their lives in front of them. Please note same vendor same sale has numerous lots of PTIC Heifers available.
