Assessor Comments	A nice draft of Angus first calf NSM heifers with very good calves at foot. The calves sire is unknown but look to be showing all Angus attributes with the odd lighter coloured calf. These first calf heifers have very good milk and are doing a great job on their calves. A great opportunity to purchase a nice draft of very good quality young heifers and calves to join to a bull of your choice. **Please note: odd Heifer and calf are showing some white on udder or under belly.
