Assessor Comments

A good quality even line of PTIC cross bred heifers, that have been joined to the Palgrove Ultrablack sires. A large of heifers were bought back in November 2020 from the breeder LKH Grazing Clermont QLD. They were to be their keep heifers, but were reluctantly sold at the time because of the dry conditions. A single heifer with a vaccination lump on neck. Considered not detrimental. PLEASE NOTE THAT THE VENDOR HAS ANOTHER LOT OF HEIFERS IN THIS SALE.
