Assessor Comments	Small line of Angus heifers and calves, doing an excellent job rearing their calves. Calves sired by Texas and Booromooka Angus Bulls, are fresh in condition, and averaged 158kgs at assessment. Heifers are small to medium in frame and have just started to lose their winter coat. Heifers arrived down from Charleville 4/11/20, and started calving early July, not rejoined. One heifer showing small Bos content, smooth in the coat, and has small scurs. N.B. 2 other lots off same property in the sale.
