Assessor Comments	A very good line of Black baldy cows with their first calves at foot and back in calf again. Medium frame. Preg tested back in calf to Scott's Angus bull N416. Light burr, calves are sired by AA bulls, and a small percentage thrown back to a red colour as pictured. calves all marked and average 256kg. Cows and calves have been on very good pasture and are in very fresh condition and were a pleasure to handle.
