Assessor Comments	This is an 18 month old Speckle Park/British White X vendor bred bull. He is by a top Minnamurra Speckle bull (MPC M3) out of a HBR British White Cow (JL 1648B). The vendor has been breeding cattle in excess of 40 years, but more recently has had a stud British White herd. The vendor is an astute cattleman, who has good knowledge of breeding and genetics, and the cattle are classed and selected on structure, weight gain traits, genetics and reproductive performance. This bull is a good, sound young bull that would suit any Speckle operation, or used as a handy top up bull for any cattle herd.
