Assessor Comments	Tops of the drops, genuine herd reduction. These heifers are front paddock cattle. Out of large frame, heavy boned cows that exhibit outstanding temperament. Sired by Sterita Park and Boonaroo Angus Bulls. Bulls in on the 2nd May 2021 and out on the 13th July for a 10 week joining. Hfrs have had all the treatments possible and come with my highest recommendations and would be a welcomed addition to any herd. 1 hfrs has slight pink eye scaring but isnt deemed detrimental to the animal . please not vendor has another 2 lots in this sale
