Assessor Comments	An excellent line of Millah Murrah and Hollywood Angus blood heifers. Heifers show good stretch and bone for their age and were extremely quiet to handle. These heifers have been grazing on oats and after a wet winter are now on a rising plane of nutrition. Heifers averaged 351kgs full at assessment. Please note that one heifer has a small abscess on the neck from vaccination. With all the work done, here presents the opportunity to purchase 30 ready to join one mark Angus heifers. Buy with confidence and watch them grow into breeders.
