Exceptionally quiet young steers to handle, especially given the size of the mob. All led up the race very quietly, and only very few exiting the crush quicker than a walk (these steers were listed above as slightly stirry) All steers were very quiet exiting the crush and standing in the yard behind us, calmly & inquisitively watching on. Very easy mob of young steers to handle.

Assessor Comments	*3 LOTS* *ROTG* *228 Total* - This is a rare & outstanding opportunity for a buyer to secure a large line of very well bred EU & Never Ever Accredited Angus Steers. Bred in the Upper Murray from a renowned Angus herd, boasting 37 years of select Te Mania genetics in their pedigree. Highly regarded & sought after by major feedlots, buyers can have confidence they're taking on a very smart line of cattle bred to perform. All frame, presenting in 100% store condition, having just experienced a very cold Winter, these steers will go ahead like steam & be unrecognisable in the coming warmer months. Buyers please Note. 19 steers seen with a minor eye blemishes noted. None of the above deemed detrimental in any way. Please see photo's & video for full contentment.
