Assessor Comments

80 Angus Feeder Steers that are bred from an excellent 'Dunoon' blood Angus Herd. Steers were all weighed with the expectation of all being between 400-500 kgs and averaging approx 435-440kgs after curfew is subtracted (**Buyers please note steers will be sold c/kg only). Overall an outstanding run of Angus steers that are extremely well bred. The 'Jindalee' Angus Herd are some of the best cattle in the Cookardinia/Henty region, and have been using Dunoon' Sires for 10+ years. Buying top 80 steers of 170 steers in 2020 drop.
