Assessor Comments	An good to very good line of feeder steers that presented in forward store condition. This group of steers are the tops of the drop and show great characteristics to grow into excellent heavy kill cattle. They are bred from Long valley composite sires out of excellent composite cows and show great hybrid vigor. Grass fed and antibiotic free. These steers were vaccinated with their first dose of Bovilis MH-IBR on the 14th of September 2021. Please note: 25 steers presented as being marked late and show pizzle drop. Vendor also has another line of 41 feeder steers on offer in today's sale.
