Handled With	All as quiet as lambs to handle through the yards. No need for a stick, or any yelling or raising arms. Just walk through and talk to them. Lovely natured young females. A credit to the vendor. Bikes , Dogs , On foot , Vehicles		
Assessor Comments	Lovely smart line of young Heifers. Very pretty, Very quiet and Very well structured, making them the perfect future breeder. Soft faced, with any easy doing style and maternal nature about them. These females have real look me presence. Long barrelled with a good deep girth and plenty of width across their backs. Out of large framed, core breeder - Rossrich/Fernhill Blood matrons by Ardrossan NAQN221. These are very smart young ladies. 1 Heifer has a very small white patch on her udder, about the size of a 50c piece, otherwise all heifers are black as black. Please see photos & videos for full contentment.
