Assessor Comments	Good line of 16 friesland steers that are very quiet and been well reared. These steers are steaming ahead on a customised silage/grain ration and have had their health treatments. They are bred from very large frame friesland cows and will grow into big boys. There is also opportunity to put another 23 younger brothers with them in same sale. As per photos there is 1 redish friesland and 2 with some slight cross (not jersey).
