Assessor Comments	An opportunity to purchase a small line of well bred Vendor bred Black Baldy Steers. This particular lot of Steers represent the lead draft of their 2020 Spring drop weaners and are genuinely only 11-12 Mths of age. These steers were sired by leading Fernhill bulls with a real emphasis on traits such as Growth, Positive Rib/Rump, EMA & IMF bred from an

outstanding Large Framed Hereford herd based purely 100% on Ironbark bloodlines. They were yard weaned for 7 days and present in store to forward/store condition ideal to take into the spring to suit any grass and or grain fed programs. Steers that are bred to perform and will not disappoint. Buyers please note when the steers are put under pressure they become agitated.
