Assessor Comments	An opportunity to purchase a small line of well bred Vendor bred Black Baldy Heifers. This particular lot of Heifers represent
-------------------	--

the lead draft of their 2020 Spring drop weaners and are genuinely only 11-12 Mths of age. These heifers were sired by leading Fernhill bulls with a real emphasis on traits such as Growth, Positive Rib/Rump, EMA & IMF bred from an outstanding Large Framed Hereford herd based purely 100% on Ironbark bloodlines. They were yard weaned for 7 days and present in store to forward/store condition ideal to take into the spring to suit any grass or grain fed programs. These heifers are bred to perform and will not disappoint. The Vendor Bred heifers will be ideal future breeders by being a large framed and great depth heifer. Buyers please note when the heifers are put under pressure they become agitated.
