	A beautiful line of quiet temperament steers. Can not be faulted on temperaments and very easy going to move throughout the yards, paddocks and handle in the crush.							

Handled With	Bikes , Dogs , Horses , On foot , Vehicles
Assessor Comments	A great line of Angus Feeder steers that have started to take off with weight gain on spring feed. They are steers that are good-doers and will continue to perform when put onto feed. This line of steers cannot be faulted on breed or temperament. *Buyers please note: One steer has old pink eye or grass seed scarring that is considered to be non-detrimental in one eye & one steer has a roan coloured coat.
