Assessor Comments	Attention speckle Park fans check out this line of Quality speckle Park Cross Cows & Calves. This a very good pen of Cows & Calves. Cows are in very Strong Store condition & Calves are doing well. Cows were drenched early October & calves were 5 in 1. Cows are educated to dogs, bikes & horses. On assessment there were 3 Cows slightly stirry in the headbail but when returned to holding yard settled back down in the mob (please view videos) Cows have been running on Natural Pasture & Rhodes Grass with no special treatment and they will do very well moving forward. Cows have been depastured back to a Hereford Bull. These Cows & Calves will be ideal Breeders to suit the Restocker or Hobby Farmers wanting to purchase Quality Females.
