Assessor Comments	The opportunity presents to purchase very good quality PTIC Hereford heifers out of the renowned hereford herd of the O'Brien Family off "Glenanaar", These cattle are only being sold due to the vendors moving into a Angus program and only keeping F1 heifers. These represent the lead draft of the Hereford Heifers and they do not come to the market very often. Heifers are PTIC to Low birthweight Out West Angus Bulls from 6 to 12 weeks and will commence calving in May for 6 weeks.
