Paddock

Handled With	VERY GOOD HEIFERS TO HANDLE IN THE YARDS AND Paddock Dogs , On foot , Vehicles
Assessor Comments	These females present an unmatched opportunity to secure sexed female semen progeny from the proven calving ease sire JAD Napoleon N31. An outstanding quality line of one mark Angus females to calve early April, showing depth, doability & softness. They show great growth through their weight for age & come from a top breeding program, being Landfall, Stoney Point & Bull Oak Well genetics. They have been AI'd to sexed female semen (expected 90% female progeny) from the top priced bull at the inaugural JAD Speckle Park sale, JAD Napoleon N31. He is a white bull and will colour mark his progeny, shows great carcase attributes & early growth. Jump the queue, bolster your breeding numbers & take advantage of a high cattle market & great season.
