Assessor Comments	Vendor has presented for sale 260 young does, to be sold in 3 lots. These young females are western bred & four weeks ago transported to Chinchilla to be prepared for marketing. Goats are in forward store condition & looking fresh. Please note they have had assess to 'Billy's before been trucked four weeks ago. They are well handled, with quiet temperament & showing good yard sense. They have been raised behind 'hot wire' therefore would suit smaller operation. Good opportunity to purchase young 'Rangeland' Does displaying quality.
