Assessor Comments	The Waroona "Wilgunyah" bood Merino ewe flock is well know for producing heavy cutting top quality stylish wools and sheep with frame, weight and fertility. As a mature flock they are good larger frame Western Qld bred sheep, long body with depth. Ewe lambs that are ideal to put onto soft feed, crop or improved pasture to grow out future fat lamb breeders. 2 have just cut teeth and a large percentage of the balance are very short not far from 2 teeth erupting. There are 4% showing scurs & the balance are polls.
