Assessor Comments	Vendor has presented for sale the entire drop of MERINO WETHER LAMBS in forward store condition & robust. Majority of lambs are carrying a well nourished fleece, displaying density & style. Lambs are showing plenty of quality with some outstanding lambs present. Lambs have not experienced any 'set back' & it must be noted lighter lambs only due to young age. There is one lamb with fly strike which has been dressed. Normal wether horn displayed - not tipped. Lambs should load comfortable on 6 decks. These young wether lambs would be ideal for any wool producer looking for quality soft handling stylish wool growers.
